

Down's Syndrome Medical Interest Group (DSMIG)

Membership Application Form (March 2008)

Terms of reference/objectives of DSMIG can be accessed on www.dsmig.org.uk. We have charitable status and are run by a steering committee. We operate as an information network and hold two 'members only' scientific meetings every year, one in London and one at a regional base. Each consists of roundtable discussion; specialist presentations; and short presentations about research in progress/audit findings etc. The meetings are informal and interactive and are accredited for CPD. Fees are held at the minimum necessary to cover costs. We have developed for healthcare professionals a range of information materials and an information website. We also run a personal information service and organise training days nationwide. From time to time we promote scientific conferences, which focus on medical aspects of the syndrome. Membership is open to healthcare professionals who have a specialist interest in the syndrome and are prepared to be proactive within the group. New members need to be sponsored by a steering group member.
Annual membership is £25.

If you would like to join the group please complete the following, writing as clearly as possible. **PLEASE DO NOT SEND ANY MONEY UNLESS YOUR APPLICATION HAS ALREADY BEEN CONFIRMED.**

Name GMC/UKCC Reg No

Post held

Work Address

Mailing Address (if different)

Tel. Fax Email

What are your own interests relating to Down's Syndrome?

How do you hope to benefit by membership of DSMIG?

What would you hope to contribute to DSMIG?

Have you any research/audit (planned, in progress, or completed), which you think would interest the group?

Do you have a steering group sponsor? Yes / No.
If 'Yes' please give name.

My application has been confirmed therefore I enclose a cheque for £25 payable to DSMIG

My application has not yet been confirmed therefore no cheque enclosed

Signature.....
